

Step by Step Guide for your BFN Sport SW Connector

The BFN Sport SW Connector allows users to connect your Shopware shop including BFN Sport. You can download different shopware configurations for mapping to your business central setup. Additionally you can download your shopware orders and convert them to business central sales orders to invoice them.

For further information, questions and details please do not hesitate to contact our support.

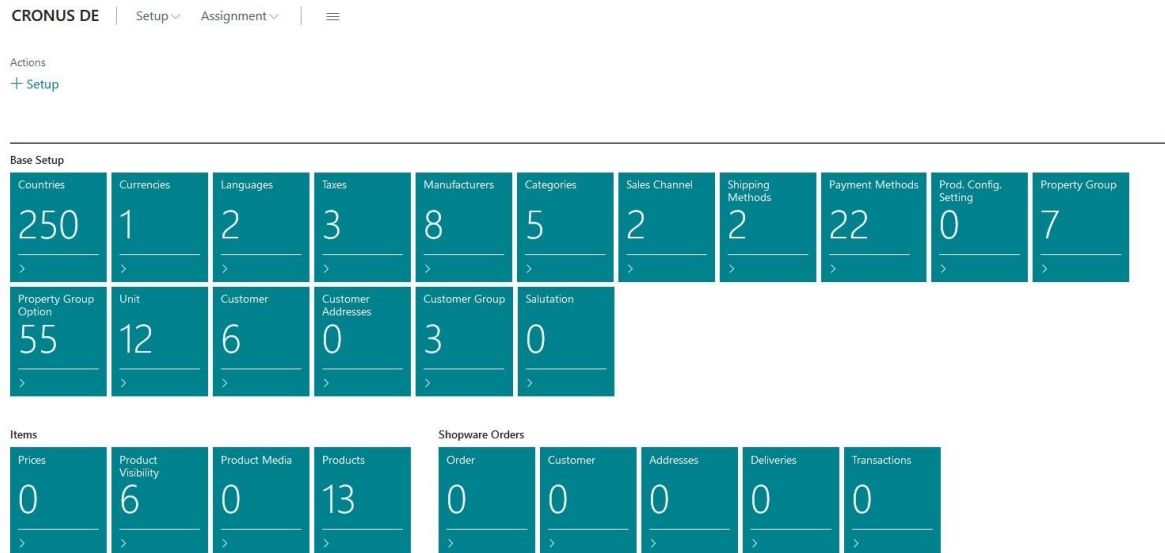

Compatible with:

- Microsoft Dynamics 365 Business Central Essential
- Microsoft Dynamics 365 Business Central Premium

Supported Languages:

- German (Germany)
- English (United States)

1. The dashboards show you all downloaded information from shopware. You have different type of data: Base setup, Items and Orders.

2. For example the manufactures sheet shows you all manufactures in your connected shopware shop. If there is additional information like a description, media or link, these are also shown.
